## Normal Bonus and Award Policy

GCMT ("the Company") offers a number of attractive rewards to its new and existing customers ("Customers") following its request and acceptance by the Customer.

Bonuses and/or financial awards or promotions ("Award") rewarded to Customers are part of the Company's promotional program. The following terms shall apply in reference to the relevant Customer account ("Account"):

### 1. Award rules acceptance:

Prior to accepting any Award offer, customers shall consider the particular Terms and Conditions associated with the Award and the Bonus and Award Policy, as both may be amended from time to time. Acceptance of the Award is done by placing trade in the Account.

## 2. Trading the Award

**2.1.** Trading Volume is calculated in units of Lots or USD notional value. See point 3.2 for calculation.

**2.2.** The funds of your deposit(s) to the Account are used prior to the Award.

*For example:*

if you have made a deposit of \$250 into the Account, and received an Award of \$50 into this Account, upon placing trades the funds of your deposit will be used first.

Therefore, if you lose \$250, unless you have met the below trading requirements for being able to withdraw your Award, there will be no funds eligible for withdrawal from the Account.

For more information, please contact Customer Support.

## 3. Volume Conditions:

**3.1.** Volume Calculation – Trade volume is counted in Lots in the trading platforms. However, all Lots have notional value which can be reached by multiplication of [Number of Lots x Lot Size x Symbol Price].

**3.2.** To avoid any misunderstanding, any promotion or condition that require trading volume parameters in units of Lots, the lot size to meet the requirements is considered equal to \$100,000.

*For example:*

A promotion offers a reward if you generate trading volume of 100 Lots; this means that the notional value of the volume has to reach at least; [100Lots x \$100,000 = \$10,000,000] to be entitled for the reward mentioned in the promotion.

### 3.3. Withdrawal

**3.3.1.** In order for the Customer to be eligible to withdraw the Award, the Customer must execute a minimum trading volume:

- If the Award amount constitutes **higher** than 20% of the deposited amount(s), the minimum trading volume required will be \$20,000 (Twenty Thousand Dollar US) for every dollar awarded by The Company to the Account (e.g. a Customer who receives \$100 Award will need to generate a minimum trading volume of \$2,000,000. (Two Million Dollar US).
- If the Award amount constitutes **less** than 20% of the deposited amount, the minimum trading volume required will be \$10,000 (Ten Thousand Dollar US) for every dollar awarded by The Company to the Account (e.g., a customer who receives \$100 Award will need to have a minimum trading volume of \$1,000,000 (One Million Dollar US)).

**The volume calculation will include all the awards received on all Customer's accounts.**

**3.3.2.** The Award will be made available for withdrawal only if the required trading volume has been achieved in its entirety. Generating a partial amount of the required trading volume does not grant the ability to withdraw a partial amount of the Award.

**3.3.3.** Should the Customer withdraw any funds from the Account before completing the required trading volume, the total Award amount may be deducted from the Account.

The Customer's trading volume in the Account will be calculated from the date the Customer receives the Award.

**3.4. Cash Back Rebate** - Clients are eligible to make a request to their Market Analyst for a Cash Back Rebate, available solely once per month, calculated as \$2 (Two Dollar US) per million volume. This is applicable only for Clients who are trading under Gold and Premium Accounts and may be received only upon request from the respective Clients.

## 4. Account Terms:

Customers are prohibited from opening multiple accounts with the Company for the sole purpose of enjoying more than one Award. In such cases the Company shall retain any Award rewarded to the Customer, any earnings will be forfeited, and any amount deposited by the Customer to the Account will be returned to the Customer accordingly.

## 5. Opt out:

The Customer is not required to accept any Award offered by the Company; all Awards are optional. The Customer may choose not to accept an Award. In these circumstances, the Customer will not be bound to the terms relating to Awards.

Should the Customer mistakenly accept an Award, the Customer shall not trade in the Account and notify the Customer Support within 5 working days from mistakenly accepting the Award.
